
Ginge Kettenbach's workbook leads you through the process of learning two different styles of documentation: SOAP (Subjective/Objective/Assessment/Plan) notes and the Patient/Client Management format. This updated 3rd edition includes hands-on exercises and examples to help you sharpen the writing skills that you will need to prepare clear, concise, and accurate medical documentation. Worksheets at the end of each note section further strengthen your writing skills on the information you have just learned. Explanations of documentation that are consistent with the APTA's Guide to Physical Therapist Practice are given for all decisions. Book jacket.
